

Commercial Proposal

for the supply of natural Baltic amber jewellery

Since 2004, Yantarnaya Volna (Kaliningrad city) has been focused on creating unique natural Baltic amber jewellery. The products are manufactured in small batches or custom-made. The company's designers are constantly working on updating the collection.

The company's products annually participate in the exhibitions ("JUNWEX PETERSBURG", JUNWEX MOSCOW", "The Best Jewellery of Russia") and awarded with diplomas and certificates. More than 800 companies are permanent partners of OOO "Yantarnaya Volna".

This small production facility processes over 1 ton of silver annually. Jewels by Yantarnaya Volna are small masterpieces designed to satisfy the most refined connoisseurs.

The main product range: rings, earrings, cufflinks, necklaces, pendants, chains, bracelets, brooches, clips, spoons, cross pendants, rosaries, souvenirs, bead necklaces.
